State Chapter/Director

9. Chapter 1 in each state will assist the Chapters in their state (if needed) to ensure everyone follows the Constitution and by-laws of Rolling Thunder® and all federal and state non-profit laws. The National Vice President / National has the ultimate responsibility of overseeing all Chapters. When a State has more than three (3) Chapters, National will appoint a State Director/Coordinator for that State. Once a State requires a State Director, the Chapter Presidents of that State will convene to choose a candidate or candidates for the position. Their recommendations will be sent to National for the final disposition of the first State Director. After the first term (appointed), normal election procedure for a State Director will be followed.

The State Director/Coordinator

A) Will be responsible for overseeing the Chapters in his/her State;

B) Will try to correct Chapter problems at the local level, if this cannot be accomplished at the chapter level, then he/she will convene a State Board consisting of the Chapter Presidents from the remaining Chapters in that State (THE CHAPTER INVOLVED IS EXCLUDED). The decision of the State Board is absolute and final. See State Directors Judicial Board Document / Approved by National Board of Directors.

C) The State Director will have the decisive authority in the state, over the conduct of all Chapter officers and members. (See State Directors Job Description Document / Approved by National Board of Directors. If the need exists he/she may recommend to National, probation, suspension or termination of said officers/members of the Chapter. If the problem cannot be resolved at the State level, then the State Director/Coordinator will file a detailed report with the National Vice President to include: all facts, notes, tape recordings and a recommendation on what action should be taken.

D) When a State Director is also President of a Chapter in that State and the presence of that Chapter President is required at a State Board Meeting the Chapter's Vice President may be added as a substitute. This substitution can only occur with the deliberate consent and approval of the Executive State Director.

E) If a State Director deems it necessary he may select an Assistant State Director. The person selected as the assistant must be approved by the Senior State Director and the National Vice President. The "Assistant State Director" must come from one of the Chartered Chapters in the State in which he/she will serve and must be a member in good standing.

The State Director will hold the position for a period of two (2) years following his/her appointment. Upon completion of the original term, the State Director will convene a State Board consisting of all Chapter Presidents of that state. The board's purpose will be to re-elect the present Director or to elect a new Director (with the approval of National inclusive). Once the Director is appointed or elected to the position, Chapter 1 in that State is no longer responsible for assisting said Chapters.

10. If a problem arises in the State Director/Coordinator's own chapter, the State Director/Coordinator will become a direct representative of National. Once the problem is resolved, the State Director/Coordinator's membership shall revert back to his/her Chapter. If the State Director/Coordinator is an Officer of his/her Chapter, their duties as an Officer will be suspended until the problem is resolved.

11. When a state has a State Director/Coordinator each Chapter in that state shall be responsible for defraying the expenses (travel and lodging only - within reason) for the State Director/Coordinator to attend the yearly Rolling Thunder® National Conference. The cost will be divided equally between the Chapters of that state. If a Chapter lacks the finances to pay their share, the State Board will draft an acceptable division. The Director will submit an invoice following the conclusion of the conference to his/her State Board for approval of the allowed expenses incurred (original receipts must accompany the invoice). Upon approval, the State Director will be responsible to initiate reimbursement. This task must be completed within forty-five (45) days from the conclusion of the Conference.

A) Each State will also be responsible to reimburse the Director for any other reasonable expenses incurred during the performance of his/her duties. The previous stated reimbursement procedures will be followed.

12. Any Chapter member who is appointed to a position by the Chapter President may be terminated from that position when just cause is found by the Chapter President. If the appointed position has been held for one (1) year or longer by the person in question, the Chapter President will consult with the Chapter's Executive Officers and the Chairman of the Board before terminating that person from their appointed position. Any appointed position will not be held for Chapter elections and will never be considered an elected position.

Chapter By-Laws

13. Any by-laws created by a Chapter of Rolling Thunder® will first be approved by the Board of Directors of that Chapter. Upon the Boards approval, the proposed by-law will be read at three consecutive general membership meetings. The general membership of that Chapter will vote on the proposed by-law after the third reading.

14. If the by-law is approved by the membership, it will be sent to the National Vice President. Upon receipt of the by-law the National Vice President will present it to the National Executive Officers and Board of Directors for their review. If the proposed by-law is approved by National, then the submitting Chapter will be advised that they may institute the by-law immediately. At no time will the by-laws of a Chapter supersede or circumvent Rolling Thunder's® Constitution.

19. Some members from all chapters attending must help organize National’s annual Memorial Day Weekend event in Washington, D.C.

20. No Chapter of the Organization will have any product of any type i.e., shirt, hat, bandanna, pin, etc. made that would refer to indicate or imply that it is being sold at the annual Rolling Thunder® Memorial Day Weekend event, specifically, as an official event product, without the express written permission of the National President or Vice President. In the event a chapter has a product made specifically for said event without authorization, the product will be confiscated by National and any profits from the sale of these items will be used for the needs of veterans in the VA Hospitals.

If no lawsuit is pending, National will distribute the remaining funds within one year of Chapter closing, among the remaining Chapters as determined by a State meeting.

Any other assets remaining will be turned over to Chapter one of that State after the closing of said Chapter. Chapter one will be responsible for dividing the assets among the Chapters of said State. In both cases, all Chapters of that State will have a vote in how the proceeds will be divided as decided at a State meeting. If said State has a State Director, he/she will work with Chapter one throughout the entire process.

The member must supply National with proof of these visits.

Membership Grievance Process & Resolution (Section Rewritten 4-17-2005)

37. All allegations and complaints of a member and/or officer accused of conduct unacceptable to the chapter or that violate community standards will be handled in the following manner using the outlined Chain of Command. The complaint will be refused and the complainant will be disciplined (up to and including termination) if the Chain of Command is not followed throughout this process. The only exception to the Chain of Command is if an officer or director is directly involved in the complaint, that person only will be left out of the process. The complainant has 90 days from the date of the infraction to file the complaint. Anything over 90 days is null and void.

38. The first link in the Chain of Command is at the local Chapter. The person(s) making the accusation must submit the complaint in writing with a full statement of facts to the Chapter Chairman of the Board, President and Vice President. No complaint will be accepted if the person(s) making the accusation refuses to supply their name(s). The chapter Board of Directors will handle the complaint and keep it in confidence.

39. If an officer or board member of the Chapter is involved, the Chairman of the Board will meet with the remaining Board of Directors and determine if it is in the best interest of the Chapter to have that officer take a leave of absence. If the individual decides to take a leave, National will accept their leave until the matter can be investigated and determination is made. At that time there will be an announcement to the membership if requested by the party or parties accused or keep it confidential if it is determined that it is in the best interest of Rolling Thunder®.

40. After all elements to resolve a complaint at the local level are exhausted; all complaints about a chapter or member that cannot be resolved on a local level will be forwarded to the next link in the chain of command who will function as the arbitrator. For states with a State Director, the Director will arbitrate. In all other states, the Vice President of Rolling Thunder® National will be the arbitrator.

41. The Chapter Officers will send to the Arbitrator via Certified Mail, the results of their investigation and any other supporting documents as to the action taken including the original signed complaint letter. Once the complaint is received the individuals involved in the complaint will deal only with the designated Arbitrator on this issue, keeping the matter confidential. Any violation of this provision will result in disciplinary action

against the offending individual. The only exception is a complaint about the Vice President of Rolling Thunder ® National; the National President will arbitrate such a complaint.

42. After determining that the complaint is valid, the Arbitrator will determine, if necessary, that any and all persons involved in the complaint are to appear before him / her on demand (location to be determined at that time) for final disposition of said complaint. Any expenses occurred by the complaining Chapter or members or other parties involved will be the responsibility of that Chapter. The said chapter will pay for any expenses incurred by the Arbitrator.

43. The Arbitrator will advise the Senior State Director, Vice President, President and Chairman of the Board of Rolling Thunder® National of the complaint and keep them apprised of the status of the problem. If the Arbitrator cannot obtain a resolution that is acceptable to the parties involved, then he/she will file a detailed report of his/her recommendation for final resolution with the Vice President and Chairman of the board of Rolling Thunder® National. The decision will be absolute and final.

44. Due to the fact that Rolling Thunder® is an organization whose membership is open to men and women, the following must be carefully followed to protect the minors that are present at meetings and events that are sponsored or hosted by the Organization. If an adult member (man/woman) or even a minor has been charged with a crime relating to sexual assault, sexual abuse or other charges as defined in “Megan’s Law,” that member will take a leave of absence from their chapter and if an officer, a leave of office. They will also turn in their membership patches until there has been a disposition as to the charges. If the charges have been dismissed the member will then be reinstated as a member in good standing with their patches returned and resume their office, if applicable. If the member is found guilty of the charges, the Chapter will terminate his/her membership.

45. Any destruction, altering or defacing of Rolling Thunder® property is strictly prohibited and may result in disciplinary action, which will be determined by National.

Legal Expenses/Approved by National Board of Directors 08/15/2004

46. Any Rolling Thunder,® member/officer that retains or refuses to turn over any Rolling Thunder property, under any circumstances, will be pursued with legal action by the Chapter or National. If legal action is required to retrieve said property, said offending members will be responsible for all legal expenses and court costs incurred by all parties involved.

Chapter Meetings

1. Membership meetings will be held once a month. The officers and the members of each chapter will agree upon location and date of the monthly meeting.
